

January 29, 2020

Let me introduce myself. My name is **Taresa Lutz**. We don't know each other, yet.

However, I would like to get acquainted, so I will tell you a little about me and I hope we can meet soon so I can get to know you, your family, and how I might be able to assist you with your real estate needs. Perhaps we can meet for coffee or a soda soon and get acquainted.

My husband and I have been involved in the Real Estate industry for many years as homeowners and investors. I grew up in the Real Estate business as the daughter of a Custom Home Builder and my uncles were builders as well. So, I have been involved and around the Real Estate business almost all my life. I loved watching my dad meet with clients, learn their needs, design and build their home, and become friends with them for life.

I, too, love people and assisting them, in my case, in selling their home and/or buying the home of their dreams is my passion. I serve my clients with Integrity, Sincerity and Tenacity. You deserve Exceptional Service and you will receive nothing less with me as your Realtor®.

I am currently a licensed Texas REALTOR® with Abby Realty and am also an Accredited Staging Professional®. I have a Home Staging business called *Stellar Staging Group*. **I offer a free Home Staging Consultation for all my listings.** I would love to be of service to you if you are planning to sell your home and or buy a new home. I work with both **Buyers and Sellers** and would love to speak with you about how I work and why you should select me as your **REALTOR®**.

Regardless of whether you are in the market to buy or sell at this time, I would like to get acquainted. **Please feel free to phone or email me and introduce yourself and let's set a time when we can meet face-to-face. I live and work in your area.**

I am enclosing my business cards for your convenience. I hope to hear from you soon.

Have an absolutely blessed 2020!

Sincerely,

Taresa Lutz
